On

“Gender Equity Programme”

Organized By

Padm. Dr V. B. Kolte College of Engineering Malkapur

As we know that India is a traditional country and our society was made dominated but now in recent years due to education this scenario is changed and we can find gender equity in our Indian society. Padm. Dr V. B. Kolte College of Engineering Malkapur always take active participation for development of students who serves as responsible citizen for the development of our nation. The institute organized programme “**Gender Equity**” under Woman Redressal Cell of the institute on 28th February 2019. The aim is to provide knowledge to students about gender equity.

On this occasion Smt. Rakshatai Khadse, Member of Parliament guided students about gender equity and equality. During her speech she told that treatment for men and women should be equal in terms of rights, benefits, obligations and opportunities. Women have proved that they are not inferior to men in any respect. She also made aware students about women rights and various government plans for the development of girls and women. The programme was attended by students of Electrical engineering Department, Mechanical Engineering Department, Computer Science and engineering department, Civil Engineering department, and Applied Science department.
