On

“Guest Lecture on Health Awareness Programme”

Organized By

Women Development Cell, VBKCOE, Malkapur

Padm. Dr V. B. Kolte College of Engineering Malkapur always takes active participation for development of students who serves as responsible citizen for the development of our nation. Under the guidance of management and principal our Institute organized the **“Health awareness Programme”** for all girls’ students including B.E. and Poly on **23/08/2019 under Women Development Cell**. We organized this programme by taking into consideration the slogan **“Health is wealth”**.

Mr. Aashish Parjapati, RSPL Ltd, Kanpur and Mr. Shankar Kadam, RSPL Aurangabad was present as a guest of the program. Prof. Manjiri U. Karande had given introduction about guest to the students. All the ladies staff is present during the program, Prof. V. N. Patil gives the introductory speech and in her speech she highlights the health issues of working women.

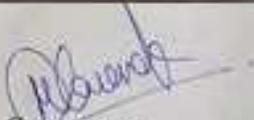

Mr. Aashish Parjapati, addressed very sensitive issue of Sanitary Napkin with the students. He told about the use of sanitary napkin. During his speech, he encourages the girls for developing health. He told advantages of using sanitary napkins. During the discussion session he also gives information about the disposal of it. At the end of programme Prof. K. P. Hole deliver vote of thanks towards guests.
