## **SUMMARY REPORT**

### Technical Event and Sport Event

On the occasion of Engineers Day and 158<sup>th</sup> Birth Anniversary of Sir Mokshagundam Visvesvaraya, the Department of Computer Science and Engineering under the Association of Computer Science and Engineering (ACSE) organized the different technical and Sports event at intercollegiate level on 16<sup>th</sup> September 2019.

There are two technical events and one Sports event was organized.

#### **Technical Events –**

- Technical Quiz
- Advertisement Making

#### **Sports Event –**

- Carrom

#### **Guest of Program –**

- Prof. R.M.Choudhari (Academic Coordinator )
- Dr. P. A. Kharat (Professor in CSE Dept.)
- Prof. Y.B.Jadhao (Head of CSE Department)

#### **Location –**

Seminar Hall

#### **Time –**

9.00 A.M.

### **Technical Quiz**

A quiz is a form of game in which the players attempt to answer questions correctly. It is a game to test your knowledge about a certain subject. These are the benefits of the quiz competitions:

1. Your knowledge will improve if you take part in the competitions.
2. Your thoughts will improve.
3. You will be able to know how to play quiz buzzers.
4. You will improve your timing of giving the answers of a particular question.
5. You will be able to know about the new technology and current affairs.

Total **89** Participants was taking actively participation in technical quiz. 4 Rounds was conducted to eliminate the students. First round was written technical paper based on the basic questions related with the computer science. The students who score 50 % marks in the test they are eligible for second round. Second round was about to ask the two questions in group of three. Then third round about to pass on the questions round. And last round is buzzer round.

### **Advertisement Making**

Total 28 students were actively participating in these events. This event is all about the creativity of students, their ideas, their imaginations and implementation in the given period of time.

### **Sports Event- Carrom**

Total 26 Participants were participating in this event. They provide a great chance to relax and refresh their minds. Carrom help in increasing the logical reasoning power in students. The students would be playing and having fun at the same time, they would practice skills like counting, reading, visual perception, and eye hand coordination etc.
