**Summary**

The department of Civil Engineering, Padm.Dr.V.B.Kolte college of Engineering, Malkapur, organized a three hour educational .The main objective of the Workshop was to familiarize participants with the emerging ideas and trends on how to develop personality in the 21st century contexts. The programmed also aimed to teach participants to work with various professionals, people and groups to understand the meaning of life and work in the present context; to enhance their communication skills and interpersonal skills in order to function in professional and social settings effectively; to enrich the academic language skills (writing and presentation skills) for academic writing and presentations; to understand effective planning, time management and implementation for setting goals and achieving both personal and professional goals; to learn to evaluate oneself (self appraisal and introspection) for further growth, personally and professionally. Students will benefited by his guidance and important point.

**Objectives:**

- 1)self confidence
- 2)communication skill
- 3)Leadership
