Summary Report

Date: - 20/06/2021

Name of Programme:- Industry Visit (Online Mode)

Date:- 20/06/2021

Class:- 2nd, 3rd and final Years year Computer Science and Engineering

As per the smooth conduction of the academic year 2020-2021 and as the department activity we have to organize Industry Visit every year for department students. As COVID19 pandemic is going on we are decided to conduct Industry Visit by Online Mode through Zoom Meeting platform.

This time we approach **CaptchaTech** company situated at Pune and ask them for Online conduction of Industry Visit. By the communication with them they grant us for Industry Visit on 20/06/2021. **CaptchaTech** company work at agriculture sector for web development. Session was conducted by CEO of the company **Mr. A. Kshirsagar** along with the student interaction. Some live practical's was conducted by them. Students know about some new topics tools in web development that are use in agriculture sector by company.

This visit will help students to learn about latest technology and to become application developer. This may help students to get their desire jobs and will open doors to untapped talent shine. It was really very useful and beneficial for students.
