**Date:** - 06/06/2021

**Class:** - 2<sup>nd</sup> , 3<sup>rd</sup> and final Years year Computer Science and Engineering

As per the smooth conduction of the academic year **2020-2021** and as the department activity we have to organize Industry Visit every year for department students. As COVID19 pandemic is going on we are decided to conduct Industry Visit by Online Mode through Google Meeting platform.

This time we approach **Kroll Company** and contact to **Mr. Ritesh Chaudhari, Information Security Analyst** ask them for online conduction of Industry Visit. By the communication with them they grant us for Industry Visit on **06/06/2021**. Kroll is a corporate investigations and risk consulting firm based in New York City, having office at Pune, Maharashtra. Session was conducted by **Mr. Ritesh Chaudhari, Information Security Analyst** along with the student interaction. They told about importance of security in computer world. Student got the new knowledge about security field.

This visit will help students to learn about latest technology and tools currently used in security field. This may help students to get their desire jobs and will open doors to untapped talent shine. It was really very useful and beneficial for students.
