Padm. Dr. V. B. Kolte College of Engineering, Malkapur

Department of Computer Science and Engineering

Summary Report

On

"Alumni Talk- Recent Trends and Opportunities"

The department of Computer Science and Engineering of Padm. Dr. V. B. Kolte College of Engineering, Malkapur (VBKCOE) conducted a session on **"Recent trends and opportunities"** for the students of CSE on 29th Nov. 2022 at 1:00 PM. We conducted this activity to improve the knowledge of students in industrial point of view.

The resource Person told about the recent trends in software developments. She told that Software development is constantly evolving, thanks to a variety of changes and improvements in the software development lifecycle (SDLC), such as:

- The constantly changing technological landscape
- New consumer and business demands
- Market trends

So she created awareness about new trends like Artificial Intelligence, Machine learning, Big data, IoT, DevOps etc among the students.
