The computer Science and Engineering department of Padm. Dr. V. B. Kolte College of Engineering, Malkapur always take an initiative for the development of institute, students Under the training and placement activity we conducted an expert lecture on “**Full Stack Development**” for the students 2nd, 3rd and final year of Computer Science and Engineering on 17th November 2021. The very young and charming personality Mr.. Rohit Ghosh, CEO and Founder, SKILLEDGE was the resource person for this programme. This programme was conducted on zoom platform.

During this webinar Mr. Rohit Ghosh sir addressed our students about job opportunities in IT sector. He first described regarding job and career. After that he made students aware about the new-age technical skills of IT industries and how to build up that skills. He also described about the services and development companies and difference between these companies. At the end of webinar students interacted with the resource person and cleared their doubts by asking questions. Mr. Rohit Ghosh cleared answered the questions and guided about their difficulties.

The students attended the programme actively. It was really very informative and valuable for students.
