Dr. A. W. Kharche  
Ph.D.

I am pleased to know that the institute is going to publish second edition of newsletter. This newsletter provides panoramic view of academic, research, co-curricular activities and achievements of institutes during an academic year.

To impart technical, educational and training of exemplary academic standards to our students is our vision. The institutes has reach tradition of pursuing academic excellence and providing congenial environment for the overall personality development of students. I feel confident that the institute is progressing in the right directional and I congratulate the faculty for their hard work and whole hearted efforts to make the institutes the choicest destination for aspiring engineers.

**Academic Dean**

Prof. S. N. Khachane  
M.Sc.(Chemistry)

I am happy in releasing the newsletter, highlighting the activities of the college between 2016 -2017. The hard work of the students and staff of this Institution have already brought a very good grade since last two years by MSBTE academic monitoring committee. I congratulate the staff and students for this achievement. I wish that everyone continue their untiring efforts not only to retain this award but to grow to further high standards. I congratulate all the editorial members for releasing this newsletter.

**Academic Co-Ordinator**

Prof. R. M. Chaudhari  
M.E. (CAD /CAM)

It is my pleasure in congratulating the editorial member on this pleasant occasion of releasing the newsletter for the period 2016-2017. It is great to find a considerable number of winners and participants in co curricular and extracurricular activities which certainly prove that our staff and students are adequately equipped and possess necessary skill-sets to bring such success to the institution. I wish that this number may grow in the years to come. I am sure that publishing a newsletter of this sort containing the achievements of the wards will be a recognition to them and I wish them all the very best for future endeavors.
