**Summary Report of Industrial Visit**

**Academic Year-2019-2020**

**Topics-** Industrial Visit on “**High Voltage Transformer Repairing**”

**Address:-** Ashish Electricals, MIDC, Jalgaon

**Date-13/09/2019**

The Industrial Visit was successfully conducted by Electrical Engineering Department, Padm. Dr. V. B. Kolte College of Engineering (Polytechnic 2<sup>nd</sup> Shift) Malkapur on 13/09/2019. This Industrial Visit conducted by Mr. A. R. Patil, was the program in charge that organized the industrial visit and conducted smoothly.

The industrial visit was organized the Electrical Second year and Electrical Final year students. The Expert drives the practical Knowledge about the transformer as per the curriculum of MSBTE board.

The Industrial expert shares their knowledge about the transformer repairing and transformer manufacturing and also shares their knowledge to innovation in transformer. Students shall learn and see all the activity related to the high voltage transformer.

Students also learn the application, Advantages, Disadvantages of Transformer and all the students are benefited by this industrial visit.
